**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I, and many San Franciscans, rely on small local ISPs for fast/reliable/affordable internet. Companies like Sonic rely on access to UNE services to improve the internet infrastructure in my residential area. Before Sonic I was plagued by ATTs poor connection, unexpected slowdowns, and poor customer service.

Don't let ATT kill competition in the Bay area!
